C. Causes of Action (You may attach additional pages alleging other causes of action and the facts supporting them if necessary.)

Count 1: The following civil right has been violated: Freedom of Speech and Freedom From (E.g., right to medical care, access to courts,

Cruel and Unusual Punishment

due process, free speech, freedom of religion, freedom of association, freedom from cruel and unusual punishment, etc.)

Supporting Facts: [Include all facts you consider important to Count 1. State what happened clearly and in your own words. You need not cite legal authority or argument. Be certain to describe exactly what each defendant, by name, did to violate the right alleged in Count 1.]

- 1. On December 1, 2006, Plaintiff returned to his assigned cell upon the conclusion of the scheduled recreation/exercise yard activities, and immediately discovered his cell in complete disarray and his personal property strewn throughout the cell.
- 2. Upon discovering a cell search receipt, Plaintiff approached housing unit floor (custody) staff and inquired as to why his cell was left in such a manner in clear violations of the California Code of Regulations (CCR), Title 15, § 3287(a)(2), to which Defendant RIVAS, in the presence of staff and other prisoners, scoffed and stated, "Yeah, I did it! I searched your fuckin' cell! What about it?! If you gotta fuckin' problem with it, 602 it! Now if you're finished, take your cryin' ass back to your cell and lock up!" Defendant RIVAS then added, "One of these days you'll learn. Don't forget where the fuck you're at!"
- 3. Plaintiff is an African American who is currently housed at a prison which has constant racial tension, and which is predominantly Hispanic, both with correctional staff and prisoner population.
- 4. Plaintiff has previously filed administrative appeals (griveances) against Defendant RIVAS, alleging excessive and punitive searches of his cell, in which Defendant RIVAS has intentionally destroyed and confiscated allowable personal property without legal cause to do so, and without submitting proper documentation (cell search receipt).
- 5. Plaintiff has also previously filed administrative appeals against
 Defendant RIVAS for repeated acts of disrespect and displays of contempt.

(CONTINUED ON PAGE -3(A)-)

C. Causes of Action - count 1 - (Continued From Page 3):

- 6. On December 1, 2006, Plaintiff filed an administrative appeal against Defendant RIVAS, alleging harassment and retaliation for previous administrative appeals. However, despite the fact that the appeal was partially granted, no apparent corrective action has been taken. (See Exhibit A).
- 7. On February 13, 2007, as a result of being dissatisfied with the First Level Review, Plaintiff submitted his administrative appeal for Second Level Review. However, despite the fact that the appeal was again partially granted, no apparent corrective action has been taken. (See Exhibit A).
- 8. On March 21, 2007, as a result of being dissatisfied with the Second Level Review, Plaintiff submitted his administrative appeal for Director's Level Review. However, despite the fact that the appeal was again granted in part, with direction, no apparent corrective action has been taken. (See Exhibit A).
- 9. Plaintiff's appeal was "granted in part" by Defendant JACK BATCHELOR on June 13, 2007. Plaintiff has thus exhausted his administrative remedies for the claims herein. (See Exhibit A).
- Defendants S. RIVAS, E.S. STEIN, ALAN HERNANDEZ, D. DEGUES, and J.M. SOULCUP [sic] violated Plaintiff's Eighth Amendment right to be protected from cruel and unusual punishment in the form of harassment and retaliation, by their unnecessary and wanton infliction of psychological and emotional distress, as hereinualleged.
- 11. Specifically, defendants knowingly, maliciously and sadistically inflicted emotional, and mental abuse upon Plaintiff when they allowed Defendant RIVAS to disrespect and humiliate him in front of other prisoners. Defendants' actions offend contemporary standards of decency.

///

- 12. Defendants, and each of them, subjected Plaintiff to this emotional, and mental abuse under circumstances which did not require such actions.
- 13. Defendants' acts, as alleged herein, were despicable, knowing, willful, malicious, and/or carried out with reckless disregard for Plaintiff's federally protected rights.
- 14. As a direct and proximate result of all of the Defendants' actions herein alleged, Plaintiff suffered, and continues to suffer, severe emotional and psychological distress. Accordingly, Plaintiff is entitled to an award of compensatory and punitive damages for injuries suffered.
- 15. Plaintiff is entitled to injunctive relief, including, but not limited to, an order by the Court requiring that Defendant RIVAS be monitored until the Court is satisfied that such actions by her will no longer occur or be tolerated by supervisory staff.

Count 2: The following civil right has been violated: Freedom From Cruel and Unusual (E.g., right to medical care, access to courts. Punishment due process, free speech, freedom of religion, freedom of association, freedom from cruel and unusual punishment. Supporting Facts: [Include all facts you consider important to Count 2. State what happened clearly and in your own words. You need not cite legal authority or argument. Be certain to describe exactly what each defendant, by name, did to violate the right alleged in Count 2.] 16. Plaintiff realleges and incorporates by reference each of the allegations of paragraphs 1 through 15, inclusive, of Count 1, as if alleged herein. Defendants have denied Plaintiff his Eighth Amendment right to be free from cruel and unusual punishment in the form of retaliation for filing administrative appeals, thus denying a basic right guaranteed to prisoners by the United States Constitution. In doing as alleged hereinabove, Defendants acted with deliberate indifference to Plaintiff's rights, and subjected him to unnecessary and wanton infliction of psychological and emotional distress, in violation of his rights under the Eighth Amendment, Specifically, Defendants were deliberately indifferent to Plaintiff's right to be free from retaliation when they intentionally, knowingly, and maliciously allowed Defendant RIVAS to continue to retaliate against Plaintiff for filing administrative appeals against her. Defendants acted despicably, knowingly, willfully, and maliciously, and with reckless and callous disregard for Plaintiff's federally protected rights. As a direct and proximate result of all of the Defendants' actions herein alleged, Plaintiff suffered, and continues to suffer, severe emotional and psychological distress. Accordingly, Plaintiff is entitled to an award of compensatory and punitive damges for injuries suffered. Plaintiff is entitled to injunctive relief, including, limited to, an order by the Court requiring that Defendant RIVAS be monitored until the Court is satisfied that such actions by her will no longer occur or be tolerated by supervisory staff. * * * * *

RIVAS, E.S. STEIN, ALAN HERNANDEZ, D. DEGUES, SOULCUP [sic], and VICTOR M. ALMAGER, and each of them, or some among them, did conspire and agree to deprive Plaintiff of his constitutional rights as alleged herein, in violation of 42 U.S.C. § 1983. The conduct described herein has been and continues to be performed 24. by Defendants and their agents or employees in their official capacities and is the proximate cause of Plaintiff's ongoing deprivation of rights secured by Constitution under the First, Eighth and Fourteenth the United States Amendments. The constitutional deprivations described herein are the proximate 25. result of the official policies, customs and pervasive practices of the Defendants. Defendants were and are aware of all of the unconstitutional conduct complained of herein, and have either condoned or been deliberately indifferent to such conduct. * * * *

E. Request for Relief

Plaintiff requests that this Court grant the following relief:

- 1. An injunction preventing defendant(s): RIVAS from any further retaliatory actions, and that she be monitored by the Court and supervisory staff until the Court is satisfied that such actions by Defendant RIVAS will no longer occur or be tolerated by supervisory staff.
 - 2. Damages in the sum of \$ 350,000.00 from each defendant
 - 3. Punitive damages in the sum of \$ 650,000.00 from each defendant
- 4. Other: Compensatory damages to cover undue stress and mental anguish from each defendant.

F. Demand for Jury Trial

Plaintiff demands a trial by ■ Jury □ Court. (Choose one.)

G. Consent to Magistrate Judge Jurisdiction

In order to insure the just, speedy and inexpensive determination of Section 1983 Prisoner cases filed in this district, the Court has adopted a case assignment involving direct assignment of these cases to magistrate judges to conduct all proceedings including jury or bench trial and the entry of final judgment on consent of all the parties under 28 U.S.C. § 636(c), thus waiving the right to proceed before a district judge. The parties are free to withhold consent without adverse substantive consequences.

The Court encourages parties to utilize this efficient and expeditious program for case resolution due to the trial judge quality of the magistrate judges and to maximize access to the court system in a district where the criminal case loads severely limits the availability of the district judges for trial of civil cases. Consent to a magistrate judge will likely result in an earlier trial date. If you request that a district judge be designated to decide dispositive motions and try your case, a magistrate judge will nevertheless hear and decide all non-dispositive motions and will hear and issue a recommendation to the district judge as to all dispositive motions.

You may consent to have a magistrate judge conduct any and all further proceedings in this case, including trial, and the entry of final judgment by indicating your consent below.

Choose only one of the following: Plaintiff consents to magistrate OR X

judge jurisdiction as set forth

above.

Plaintiff requests that a district judge be designated to decide dispositive matters and trial in this case.

IAB Case No.: 0612306 Local Log No.: CEN 06-01165

This matter was reviewed on behalf of the Director of the California Department of Corrections and Rehabilitation (CDCR) by Appeals Examiner Jack Batchelor, Facility Captain. All submitted documentation and supporting arguments of the parties have been considered.

- I APPELLANT'S ARGUMENT: It is the appellant's position that for the past two or three months, he has withdrawn CDC Form 602, Inmate/Parolee Appeal Forms regarding Correctional Officer (CO) Rivas for verbally disrespecting him. Recently, a CDC 602 was partially granted regarding this CO's behavior and since then, CO Rivas has conducted cell searches which have resulted in his cell being "trashed." The appellant claims these cell inspections occur two to three times per week. The appellant requests that CO Rivas is removed from his building and counseled by her superiors.
- II SECOND LEVEL'S DECISION: The reviewer found that that appropriate supervisory staff conducted an inquiry into this matter. The inquirer reviewed the submitted material and interviewed the involved parties. Release of the finding or information related to the inquiry is confidential and will not be disclosed.
- III DIRECTOR'S LEVEL DECISION: Appeal is granted in part.
 - A. FINDINGS: Upon review of the documentation submitted, it is determined that the institution failed to comply with the provisions of Administrative Bulletin (AB) 05/03. Specifically, Attachment "E" of the AB provides the format in which staff complaints are to be prepared. In the section entitled, "SUMMARY FOR APPEAL INQUIRY" specific language is required. This language must include the date in which the appellant was interviewed and the name and title of the staff member conducting the interview. This section also requires a list of witnesses who was/were interviewed.

A review of the both the First Level of Review and Second Level of Review indicates that the format contained in Section "E" of AB 05/03 was not included in either response. There are no dates as to when the appellant was interviewed and by whom. There is also no witnesses listed who was/were interviewed. Therefore, the response to the appellant's appeal designated as a staff complaint is not in compliance with AB 05/03.

B. BASIS FOR THE DECISION:

California Penal Code Section: 832.5, 832.7, 832.8

California Code of Regulations, Title 15, Section: 3004, 3122

AB 05/03, Attachment "E"

C. ORDER: The Centinela State Prison (CEN) shall prepare an amended response to the appellant's appeal. The institution's response will be in compliance with AB 05/03, specifically Attachment "E."

This issue was discussed with the office of Chief Deputy Warden.

ROGERS, P-54800 CASE NO. 0612306 PAGE 2
